NO EVIDENCE OF DISEASE

A SPARK MEDIA PRODUCTION

Six GYN cancer surgeons take on the Big C with Rock 'n' Roll...

Their patients become the band's most ardent fans...

Below the belt cancers and a below the radar cause enter the spotlight...

The result: **NO EVIDENCE OF DISEASE**, an intimate, humorous and inspiring documentary from award-winning Spark Media.

**NO EVIDENCE OF DISEASE**, the words every patient dreams to hear, interweaves the harrowing experiences and remarkable courage of women, devoted families, and dedicated doctors. As music and medicine join forces in the fight for life, the surgeons are transformed into rising rock stars, and their patients and loved ones jump on the bandwagon, infusing the struggle for survival with heart, hope and Rock 'n' Roll.
